

Santa Clara Ballet School

July 23, 2009

Attention All Students:

The Fall Schedule is out and all students are requested to submit Registration Forms/Fees prior to the closing of the school for the Summer Break. This will insure your place in the class. Please study the schedule and submit your concerns through email so that in case any schedule change will be made prior to the opening of the Fall school year, your concerns can be addressed.

Please note that there are a number of Contingent classes. This is why I am requesting all Registration Forms be submitted by August 15th so that it will help determine which classes will be kept and which will be closed. This will benefit all of you.

All students will have to attend the class required of their level...i.e. if the child is in Level II she should attend 2 classes a week....Level III –3 classes a week, and so on. This is required for the proper progress of the student.

Tuition will be according to the level/number of classes taken. This will be posted later.

Thank You....Mrs. Reyes
